

# COMPANY **PROFILE**

## PRODUCTS **QUALITY BEYOND EXPECTATIONS**

### **Manufacturer of**

- CNC machine & Spm Machine Manufacturer,
- CNC & VMC Machine Spindle Cartridge,
- CNC Machine Collect Chuck
- SPM Machine All Type head
- Jig and Fixer
- Roller Burnishing Tool

Business development is the identification of long term methods to increase value through the development of relationships, markets and customers. Core responsibility of business development officer is how to grow & expand the business. Depending on the industry, the day-to-day tasks and strategies to achieve this goal will vary, but the overall mission remains the same.

# ABOUT US

Our Founder Mr. Dushyant Kubavat has wide knowledge, to manufacturing of CNC TURNING MACHINE, SPECIAL PURPOSE MACHINE (SPM) as per your component with complete machine cycle , CNC & VMC Machine's spindle Cartridge, Collet Chuck, special Purpose Machinery's HEAD ,JIG, FIXERS& Roller burnishing tools.

We are using our own workshop with highly accurate mother machinery to manufacturing. We have following machines in our workshop.

VMC 1050, VMC 850, CNC TURNING MACHINE (200/500), CNC TURNING MACHINE (165/300), CNC TURNING MACHINE (ST60), ZIG BORING MACHINE , SHAPING MACHINE, RADIAL & PILLAR DRILLING MACHINE, LATHE MACHINE (9 FEET), LATHE MACHINE (7 FEET), CYLINDRICAL GRINDING MACHINE (1500MM), CYLINDRICAL GRINDING MACHINE (1000MM), INTERNAL GRINDING MACHINE (1000MM), INTERNAL GRINDING MACHINE (600MM), SURFACE GRINDING MACHINE (1500MM), SURFACE GRINDING MACHINE (1000MM).

## **PROPOSED AND ESTIMATED TURN AROUND FOR THE NEXT TWO YEARS :**

Based on our experience. Sales and Marketing Network, we at present anticipate selling of 2 to 3 CNC Machines, which requires the investment of approximately Rs. 3 Crore to Rs. 3.5 Crore. We envisage the demand of Machines will be increased based on current market scenario hence we expect to reach business turnover of Rs. 10 in the next 18 to 24 months.
